## PERKINS EASTMAN ANNOUNCES 2016 PROMOTIONS

### Top International Architecture Firm Recognizes Design and Management Leadership

New York, NY (August 10, 2016) Top international architecture and design firm Perkins Eastman is pleased to announce senior leadership promotions for 2016, reflecting the company's commitment to building and maintaining a strong and dynamic leadership team across its many practice areas, multiple offices, and network of affiliates.

The following individuals have been promoted to Principal:

**Maureen Carley-Vallejo IIDA** (New York, NY): Maureen Carley-Vallejo is the Senior Healthcare Interiors Leader across all offices at Perkins Eastman. Over the past 20 years, Carley has designed beautiful and thoughtful environments that humanize and elevate the overall experience for the firm's most high-profile healthcare projects. She was recently named *Healthcare Design's* Interior Designer of the Year.

**Jana Silsby AIA, LEED AP** (Boston, MA): Jana Silsby has more than 20 years' experience on a diverse portfolio of academic, residential, and healthcare projects, and has been instrumental in helping to build and grow Perkins Eastman's Boston office. Silsby promotes an integrated design process and constantly investigates how to incorporate green and sustainable design in all of her projects.

**Joanne Violanti AIA, LEED AP** (New York, NY): Joanne Violanti has more than 25 years of experience designing significant medical and laboratory facilities, where she has channeled her particular strength in delivering projects with demanding schedules, elaborate programs, and complex technical requirements. As such, she is a leading member of Perkins Eastman's technical leadership committee.

"Perkins Eastman is fortunate to have a diverse group of emerging leaders—many of whom were recognized in this year's promotions," says CEO and founder Bradford Perkins FAIA, adding: "I am particularly pleased to recognize those promoted to principal—Maureen Carley, Jana Silsby, and Joanne Violanti—each of whom has played a key role in the development of our growing national practices in healthcare architecture, healthcare interiors, elementary and secondary education, and sustainable design."

In addition to the newly promoted Principals, 8 employees were promoted to Associate Principal, 22 to Senior Associate, and 48 to Associate—totaling 81 promotions firmwide.
